

Humboldt Fog® PEPPER REMIX

The Original American Original® – remixed! Humboldt Fog paved the way for soft-ripened goat cheese in America, but this is Humboldt Fog like you've never seen it before. Each limited edition, handcrafted wheel features a distinctive ribbon of chilies, curry, and harissa – with just the smallest kick in the pants. You'll also enjoy buttermilk and fresh cream, complemented with floral notes, herbaceous overtones, and a clean citrus finish. As Humboldt Fog Pepper Remix matures, the creamline develops and the flavor intensifies.

Cheese Care

To optimize cheese quality, keep cheese cold (33°-38°F) and wrapped in waxed paper. Re-wrapping soft-ripened cheese in wax or parchment paper will allow the cheese to breathe as it continues to ripen. Remove your cheese from the refrigerator at least one hour before serving.
